FOR THE DISTRICT OF COLUMBIA**

ROBERT J. INFUSINO, *et al.*

Plaintiffs,

v.

BETSY DEVOS, in her official capacity as
U.S. Secretary of Education, *et al.*

Defendants.

Case No. 19-cv-3162 (CRC)

**DEFENDANTS' REPORT REGARDING OBLIGATIONS
CONTAINED IN STIPULATION OF DISMISSAL**

Pursuant to the Stipulation of Dismissal (Doc. 12) (“Stipulation”) entered into between the Plaintiffs and the Defendants United States Department of Education and Secretary of Education Betsy DeVos (collectively, the “Department”), the Department hereby reports on the status of the obligations set forth in that Stipulation.

1. As set forth in the Stipulation, the Department had previously directed all loan servicers to update credit reporting agencies about the Cancelled Loans on behalf of all eligible borrowers so that the borrowers will not have any remaining balance on the Cancelled Loans, and the Department has confirmed the loan servicers have made such updates to the credit reporting agencies.
2. On May 20, 2020 the Department updated its webpage regarding closed DCEH schools (<https://studentaid.gov/announcements-events/dceh-schools>) with a link to a copy of the Stipulation, a link to the Closed School Discharge application, and by providing contact information for the Department’s loan servicers.

3. On May 27, 2020, the Department sent an email to all student and Parent Plus borrowers explaining that the Department has cancelled their loans and issued refunds for all Direct and Parent Plus loans taken out in association with enrollment at the Schools during the term in which January 2018 fell or any subsequent terms through the Schools' closure, and that the Department extended the closed school loan discharge period back to January 20, 2018. The communication directs borrowers to their loan servicers for any questions or if additional information is needed, and also includes an online link and telephone contact for Federal Student Aid.

Dated: May 29, 2020

Respectfully submitted,
